

Bb = Gm

**Bb**                      **C**

When my friends ask me 'bout my sexuality

**Fmaj7**                      **Dm**

I choke up and joke that the answer's not easy

**Gm**                                      **C**

Like I'm watching a Disney movie and the couple gets it on

**Fmaj7**                                      **Dm**

But who should I look at is it Shang or Mulan?

**Gm**                                      **C**

I like boys and girls but I still don't know why

**Fmaj7**                                      **Dm**

I couldn't get either one if I really try

**Gm**                                      **C**

I'm switching my preference like an on and off switch

**Fmaj7**                                      **Dm**

If I had a dime for every crush I've had I'd be rich

[Chorus]

**Gm**

Like boy bi

**C**

Girl hi

**Fmaj7**

New guy

**Dm**

I'm bi?

**Gm**

I cry

**C**

Every time

**Fmaj7**

I try

**Dm**

to decide

[Verse 2]

**Gm**                                      **C**

I guess you're right I'm bi but without the sexual

**Fmaj7**                                      **Dm**

I'm so scared to date so I've just been bi myself

**Gm**                                      **C**

Like I'm watching a Disney movie and I slowly start to sweat

**Fmaj7**            **Dm**

Is it Jasmine's dancing or Aladdin's open vest

**Gm**            **C**

Oh it sucks sometimes to be right in the in-between

**Fmaj7**            **Dm**

I'm too gay for girls too straight to be a drag queen

**Gm**            **C**

I'm just playing I'm just saying I'd like to clear

**Fmaj7**            **Dm**

I don't know what the hell is going on here

[Chorus]

**Gm**

Like boy bi

**C**

Girl hi

**Fmaj7**

New guy

**Dm**

I'm bi?

**Gm**

I cry

**C**

Every time

**Fmaj7**

I try

**Dm**

to decide
